## Robins Bar Rules and Robinisms

If you are drinking to forget, please pay in advance.  
Speaking of forgetting, so that our bartenders don't forget, it's cash and carry baby. No tabs dude.  
Meeting people at our bar is like going to the grocery store...sometimes you bring home crap that you don't need.  
Everyone who visits Robins makes us happy. Some when they arrive. Some when they leave.  
While at Robins don't talk about yourself. We'll do that after you leave.  
Men: No shirt, No Service.  
Women: No shirt, FREE drinks.  
If a cop pulls you over and asks, "You drinking?" Never respond with "You buying?"  
We serve beer as cold as your ex wife's heart.  
It really doesn't matter if the glass is half empty or half full. There is always room for more vodka.  
Never cry over spilt milk, it could have been your beer.  
Draft beer, not people.  
A drunk man's words are a sober man's thoughts.  
The hardest part about being a bartender is figuring out who is drunk and who is just plain stupid.  
You shouldn't have driven home from the bar last night...especially when you walked here.  
If your doctor tells you to watch your drinking I would suggest that you drink in front of a mirror.  
I don't always drink...but, when I do, I drink at Robins' Wood Fire BBQ.  
—The DOS EQUIS XX Man

We reserve the right to refuse service to anyone who is or appears to be intoxicated. Have a drivers license or I.D. card stating age, drink responsibly and enjoy your visit at Robins' Wood Fire BBQ.

Thanks...From the Staff
